Martyrs of Ohod in Baqi

> Baqi has an eventful history and a large number of holy warriors are buried therein. These include those who were injured during the Battle of Ohod but they achieved martyrdom after returning to Medina. Then they were buried in Baqi.

Martyrs of Hurrah in Baqi

> The martyrs of the Event of Hurrah are also buried in Baqi. After the tragedy of Karbala and the martyrdom of Imam Hussain (a) and his companions, the people of Madina revolted against the Umayyad rule and dethroned the governor of Madina. Yazid sent a large army to suppress the revolt and his army plundered Madina for 3 days continuously, killing people and looting their property and the honor of their women. Thousands perished in this attack including 80 companions of the Holy Prophet (s) and 700 children of the Ansaar and Mohajereen (Helpers and Emigrants). This incident is famous as "Hurrah". The martyrs of this attack are buried in Baqi.
